Is there any way to ask the assessor's office the name of the person signing the check for the taxes? That might at least get us to a name. We can also put together a letter and send it out, but I worry about it not being able to get to the correct person.

All, I tried both of the numbers below. The receptionist at the [REDACTED] area code number said to call the Milwaukee office. I called the corporate office [REDACTED] area code number, and attempted to get through the automated system. There's a [REDACTED] Citizen Name/Ex. 6 I could not find a way to get a live person on the phone without knowing an extension first. Even pressing zero for an operator only lead to a different automated system.

Hey Guys.

Shawn sent the contact information for the current owner of the Personal Address/Ex. 6 and I'm copying it below. I'm also attaching an access form, it hopefully will capture what you need. Please review, and let me know if it needs to be changed. It likely makes the most sense for Steve, Craig, or Shawn to make first contact to request access, since the whole EPA attorney-title sometimes tends to unnecessarily elevate issues like access. Please let me know however else I can be of assistance.

Thanks,

ap

Hi Shawn,

Steve asked that I forward on some information about a claim owner we need to get in contact with, Steve is more than happy to talk with them once we know who to talk to, here is the info.

I spoke with San Juan County and they said that the claim south of the Anglo Saxon that we need access to is as follows:

Personal Address/Ex. 6

Thanks,
Elliott
